

Hello everyone!

We are excited to invite you to join us as an exhibitor to the **4<sup>th</sup> Annual Greene County College, Career & Business Expo** that will take place at Fairborn High School on Thursday, June 22<sup>nd</sup> 3pm-7pm

The Fairborn Area Chamber of Commerce is partnering with the Fairborn Development Corporation as well as the Fairborn City Schools for this year's event. The Expo is a great place to showcase your business and market your products and services. Looking to hire? The Expo is an excellent place to find qualified applicants. We will be marketing the event across the region on radio as well as social media and newspaper to attract attendees looking to seek employment and check out all that Greene County has to offer.

**NEW!!!** This year's event will expand to include a college fair with local as well as regional colleges, universities, community colleges, tech schools and more on hand to market and provide information on secondary education opportunities. We plan to invite all Greene County high school students as well as local high schools in Clark and Montgomery to attend this free event.

Booth space information is listed on the Booth Application sheet. We do have an early-bird offer to chamber members that ends June 1<sup>st</sup> so get the good deal while you can. We are offering a special offer for non-members to get involved with the Fairborn Chamber so read the details on the registration form and take advantage of this great offer!

**RSVP early:** All space availability is on a first come first serve basis. So, don't wait!

Each booth will include a table and two chairs. If you have specific needs, please let the Chamber know.

**Marketing:** The EXPO Committee will be marketing this event across the region. Our mission is to increase attendance as well as attract businesses to participate.

We are looking forward to a great event for you and your business. Don't forget to register your space early! Please contact us for questions or assistance.

Sincerely,

Fairborn Area Chamber of Commerce
